To Whom it May Concern:

RE: Big Red Barrel Project

The Iosco County Sheriff's Office has had a Big Red Barrel in our lobby for 2 years. The Red Barrel Project has been a great asset for our community. The average collection amount from this barrel has been 20 pounds, with a year to date collection amount of 50 plus pounds.

This program was created as an expansion of the DEA's Nationwide Drug Take Back Days. Having the Barrel in our lobby will continue to be an asset to Iosco County for many health and safety reasons for many years to come. All Law Enforcement agencies have benefitted from this program. We would encourage all Law Enforcement agencies to participate in this worthy program keeping drugs off the streets and out of the hands of the wrong people.

The Big Red Barrel Project was created originally by Livingston County Community Alliance and we would like to thank them and their staff for all their hard work.

Sincerely,

Allan L. MacGregor, Sheriff

Iosco County
